Dear Professor Nordenson:

The Landscape Architectural Accreditation Board (LAAB) at its July 7-8, 2022, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional MLA degree at The City College of New York. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2028. Accordingly, the MLA program at The City College of New York is next scheduled for a review during the spring of 2028.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team report, and the program's response to the team report.

There were no recommendations affecting accreditation.
